KONZA TECHNO CITY - PHASE 1**

PLANT LIST
January 2020

SIZE	SCALE	DATE	SOURCE	PHASE	LOCATION	DISCIP.	NUMBER	SHEET	REV
A4	-	28.01.2020	KTC002	PD	EXTWK	AGR	001	-	0

PLANT LIST

FIRST ORDER TREES
height 20 m, crown 12-15 m

Photo	Common name	Type	Shape	Ornamental value	Leaves colour	Flowering period	Flower color	Origin	Notes	AGRONOMIC NEEDS (COST/MEASURE) in g/h	WATER NEED (COST/MEASURE) in g/h	Possible location	Garden and roads	CFL/NP
	Peacock Flower	Deciduous	Horizontal crown, flat top	Flowers	Dark green		white pink	Central Africa (Kenya)	Used as shade tree	M	M	X	X	
	Bastard yellowwood	Evergreen		Shape, Bark	dark green			Sub-oriental Africa	It is able to grow in clay rich soil with neutral pH	H	M		X	
		Evergreen		Shape, Bark	dark green			Central Africa (Kenya)		M	M	X	X	
		Deciduous					red	West Africa	sunny position, well drained soil, but tolerating a wide range of conditions. Drought tolerant	M	L	X	X	X
	Silver Oak	Evergreen	Horizontal crown, flat top	Shape	Dark green			Eastern and southern tropical Africa - Kenya to S. Africa and Angola	A plant of the tropical and subtropical areas of eastern and southern Africa. It is found at elevations from 150-2,000 metres; requires a well drained soil and a position in full sun.	M	L			X
	Mussa	Evergreen	Flat crown				yellow	Sud-oriental Africa	Sunny position, tolerate a wide range of soil. Prefers a pH in the range 5.5 - 7, tolerating 5 - 7.5	L	L		X	Y
	Australian Pine tree	Evergreen		Shape			light brown	Asia	Pioneer tree; favourite habitat: duna	L	L	X		X
	Marril	Evergreen										X		
	Broad-leaved Craton	Deciduous		Flowers			yellow	Central Africa (Kenya)	Fast growing, it is a drought-resistant tree that can survive in harsh climatic conditions	L	L		X	X
		Deciduous								L	L	X	X	X
	Red river gum	Evergreen					white	Australia	The plant prefers a pH in the range 5 - 7, tolerating 4.5 - 8. Succeeds in poor soils, growing well in heathy soils and also tolerating poor and dry soils	L	L		X	X

THIRD ORDER TREES
height 6 m; crown 4 m

Botanical name	Common name	Photo	Type	Shape	Ornamental value	Leaves colour	Flowering period	Flower color	Origin	Notes	AGRONOMY NEEDS		WATER NEEDS		Possible location	
											Minimum depth	Maximum depth	Minimum depth	Maximum depth	Streets	Gardens and parks
Bauhinia purpurea	Conceitour		Evergreen	Rounded	Flowers			Purple	India/China							
Daccaena marginata			Evergreen						Madagascar							
Olea capensis	Elgen olive		Evergreen					White				M	M			X
Plumeria rubra			Deciduous		Flowers			Red	Tropical America	well drained soil; very drought tolerant		M	M			X
Plumeria white			Deciduous		Flowers				Tropical America	well drained soil; very drought tolerant		M	M			X
Thevetia peruviana			Evergreen					Yellow	Central/South America							

SECOND ORDER TREES
height: 10-20 m; crown 8m

Botanical name	Common name	Photo	Type	Shape	Ornamental value	Leaves colour	Flowering period	Flower colour	Origin	Note	AGRONOMIC NEEDS	WATER NEEDS	Possible location
											low	low	Streets
											low	low	Streets
<i>Berarus setiophorum</i>		African fan palm	Evergreen						Africa	Requires a well drained soil and a position in full sun. It is usually found in sandy, well drained soils, but prefers alluvial soils near watercourses	M	M	X
<i>Cladendrum capense</i>		Cape chestnut	Semi-deciduous	Rounded	Flowers			Pink	Africa		M	M	X
<i>Dalmanea regia</i>		Flame tree	Evergreen	Horizontal crown	Flowers	Light green	Summer	Red	Madagascar				
<i>Ficus sycamorus</i>		Sycamore fig	Semi-deciduous	Rounded	Shape	Dark Green - Yellow veins below	July to December		Central Africa (Kenya) and South Africa		L	L	X
<i>Filicium decipiens</i>		Fern tree	Deciduous	compact site		glossy		white, pink	Africa/Asia		M	M	X
<i>Rigella africana</i>		Sausage tree	Evergreen to semi-deciduous	Flat top	Shape			Orange to maroon or purplish green	Central Africa (Kenya) and South Africa	The fruit is a woody berry from 12 to 39 inches (30-100 cm) long.	L	L	X
<i>Lecanodes mimosoides</i>		Jacaranda	Deciduous	Rounded	Flowers		Summer	Purple	South America		M	M	X
<i>Polycastis kluyvenis</i>		Parrot Tree		Candelabra like crown	Shape				East Africa (Kenia)		L	L	X
<i>Prunus africana</i>		African cherry	Evergreen		flowers			white	Central and southern Africa	Fall growing. It prefers moist habitat	M	M	X
<i>Senna siamea</i>		Sennae Senna	Evergreen		Flowers			yellow	Asia	Frequently used along streets; semi arid climate	H	M	X
<i>Senna spectabilis</i>			semi-deciduous		Flowers			yellow	South and central America	Frequently used along streets; semi arid climate	H	M	X
<i>Tamarindus indica</i>		Tamarind	Evergreen or semi-deciduous	Vase-shaped	Leaves	Bright green		red and yellow	Tropical Africa (Kenia)	Prefer a pH in the range 5.5 - 6.5, tolerating 4.5 - 8.5	M	L	X
<i>Terminalia catappa</i>		Country almond	Deciduous	Umbrella shaped crown		Bright green-red		white	Asia Africa Aus		M	M	X
<i>Tipuana tipu</i>		Tipu	Semi-deciduous		Elastic		late summer	Bright yellow	South America	It could tolerate black cotton soil	L	L	X
<i>Vachella xanthophloea (Acacia)</i>		Fever tree	Deciduous		Shape			yellow	Central Africa (Kenya)	It is found growing near swamps, riverine forests or on lake shores	L	L	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

SHRUBS																	
Botanical name	Common name	Photo	Type	Shape	Ornamental value	Leaf colour	Flowering period	Flower colour	Origin	Notes	Agronomical needs	Water needs			Possible location		
												Low/med	High		Street	Garden & parks	CPL/ NP
Acalypha hispida			Evergreen	Shrub	Leaves/flowers	Green	All year	Red	N/America	Well drained soils	L	L		X	X	X	
Acalypha java white			Evergreen	Shrub	Leaves	White/green				Full sun/ shade areas/ well drained soils/ drought resistant	L	L		X	X	X	
Acalypha wilkensiana	Copper leaf		Evergreen	Shrub	Leaves	Red/ green			Tropical / sub tropical regions	Full sun to shade/ well drained soils, grows upto 3m high	L	L		X	X	X	
Agave Americana	Century plant			Shrub/ succulent	Leaves	Variegated			Mexico	Well drained soils/ drought resistant	L	L		X	X		
Agave marginata				Shrub/ succulent	Leaves	Variegated			Mexico	Well drained soil/ drought resistant	L	L		X	X		
Allamanda cathartica	Yellow allamanda		Evergreen	Shrub	Glossy leaves/flowers	Green	Spring, summer, fall	Yellow		Does well in most soils/ shade to full sun, attracts bees	M	M		X	X		
Allamanda violacea	Purple allamanda		Evergreen	Shrub	Glossy leaves/flowers	Green	Spring, summer, fall	Purple		Full sun- shade, most soil types, attract bees	M	M		X	X	X	

PROPOSED PLANTS FOR KONZA CITY, KENYA

Aloe vera	Aloe indica, medicinal aloe, true aloe		Shrub/succulent	Leaves/flowers	Green	Summer	Red			L	L	L	X	X	X
Alpinia zerumbet			Shrub	Leaves	Green/yellowish					M	L	M	X	X	X
Anthurium andraeanum			Shrub/groundcover	Glossy leaves	Green		Red/pink			M	M	M	X	X	X
Aphelandra squarrosa			Shrub/small tree	Leaves/flowers	Green	Summer	Yellow			M	M	M	X	X	X
Bougainvillea ssp			Hedge, Dense groundcovers/stand-alone shrub	Leaves/flowers	Green	Spring, summer, fall	Red, purple/orange			M	M	M	X	X	X
Brassia arborescens			Shrub		Green					M	M	M	X	X	X
Breynia nivosa	Snow bush		Shrub		Green, silver, burgundy					M	M	M	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Canna indica	Canna lily		Evergreen	Shrub		Green	Summer	Red		Most soils/ shade- full sun	M	M	X	X	X
Cereus peruvianus	Giant club cactus, hedge cactus,		Evergreen	Shrub/succulent	Leaves	Green		White, burgundy		Drought resistant/ ideal for most soils	L	L	X	X	X
Chamaedorea microspadix	Bamboo palm / reed palm		Evergreen	Palm/shrub	Leaves	Green			Tropical American areas	Shade, full sun/ well drained soils	M	M	X	X	X
Codiaeum variegatum	Croton		Evergreen	Shrub	Leaf character	Red/green /yellow/ burgundy			Tropical climates	Full sun to shade, drought resistant, does well in most parts of the world	L	L	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

																		
Coprosma repens	Tequila sunrise	Evergreen	Shrub	Leaves, glossy texture	Variegated, pink, apricot, bronze, green	Spring	chartreuse							L	M		X	X
Cordilyne fruticosa	ti plant, palm lily, cabbage palm		Shrub		Red, green			New guinea, SE asia,						L	L		X	X
Cortaderia selloana	Cortaderia	Evergreen	Grass	Leaves/ flower										L	L		X	X
Dracaena fragrans	Cornstalk dracaena,	Evergreen	Shrub	Glossy leaves	Green			Tropical Africa						M	L		X	
Duranta erecta	Sky flower	Evergreen	Shrub	Leaves	Yellow green									L	L		X	X
Euphorbia milli		Evergreen	Shrub	Thorns, flowers	Green	Summer	Red							L	L		X	
Furcraea albicans		Evergreen	Shrub	Leaves	Green									L	L		X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Fuschia ssp	Fuschia		Perennial	Shrub	Flowers	Green		Uschia	Shade and light sun	L	M	X	X
<i>Hamelia erecta</i>			Evergreen	Shrub	Flowers	Green	All year	Yellow/red	Drought tolerant	L	M	X	
<i>Hebe lasiodisante</i>			Evergreen	Shrub	Flowers	Green	All year	Pink	Shade - full sun,	L	M	X	X
<i>Heliconia bihnai yellow</i>			Evergreen	Shrub	Glossy leaves/Flowers	Green		Yellow	Shade- full sun	L	M	X	X
<i>Heliconia chariacea</i>			Evergreen	Shrub	Glossy leaves/Flowers	Green		Red	Shade-full sun, well-drained soil	L	M	X	X
<i>Heliconia collinsiana</i>			Evergreen	Shrub	Flowers/leaves	Green		Red	Most soils/ shade-full sun	L	M	X	X
<i>Heliconia psittacorum</i>			Evergreen	Shrub	Flowers/leaves	Green		Red	Most soils/ shade-full sun	L	M	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

<i>Heliconia rostrata</i>		Evergreen	Shrub	Glossy leaves/Flowers	Green		Red			Most soils/ shade-full sun	L	Lm	X	X	X
Hibiscus bright red		Perennial	Shrub	Glossy leaves/Flowers	Green		Red	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	X
Hibiscus canary orange		Perennial	Shrub	Glossy leaves/Flowers	Green		Orange	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	X
Hibiscus double orange		Perennial	Shrub	Glossy leaves/Flowers	Green		Double orange	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	
Hibiscus double red		Perennial	Shrub	Glossy leaves/Flowers	Green		Double red	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	X
Hibiscus Hawaii red		Perennial	Shrub	Glossy leaves/Flowers	Green		Red	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	X
Hibiscus white		Perennial	Shrub	Flowers	Green		White	warm temperate, subtropical regions	Drought resistant, thrives in most climates	L	L		X	X	X
Holmskioldia sanguinea		Perennial	Shrub	Flowers	Green		Yellow	Southeast Asia, New Caledonia, Hawaii, Mexico, West Indies, Venezuela	Drought resistant, thrives in most climates	L	L		X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

<i>Aberia caffra</i>		Evergreen	Hedge/ security fence	Thorns/ dense leaf network	Green		Yellow			M	L	X	X	x
<i>Hemerocallis (red)</i>		Perennial	Shrub, grassy	Flowers	Green	Summer	Red	Americas / Europe	Drought resistant, thrives in most climates, low maintenance	L	L	X	X	X
<i>Hemerocallis lilaeophodelus (yellow)</i>		Perennial	Shrub, grassy	Flowers	Green	Summer	Yellow	Americas / Europe	Drought resistant, thrives in most climates, low maintenance	L	L	X	X	X
<i>Hemerocallis fulva (orange)</i>		Perennial	Shrub, grassy	Flowers	Green	Summer	Orange	Americas / Europe	Drought resistant, thrives in most climates, low maintenance	L	L	X	X	X
<i>Kniphofia uvania</i>		Perennial	Grassy, shrub	Flowers	Green	Spring	Red, orange, yellow	Africa	Heat tolerant, verticillium wilt resistant, even moisture - drought tolerant. Soils - average to well-drained. Attracts humming birds	L	L	X	X	X
<i>Lantana montevidensis</i>		Evergreen, semi-evergreen	Shrub/ perennial, groundcover	Flowers	Spring, summer fall				Bees, butterflies, humming birds,	L	L	X	X	
<i>Santolina chamaecyparissus</i>		Evergreen	Shrub/ herb	Flowers	Blue/ green	Spring	yellow		Drought resistant, bees, deer resistant, snail / slug resistant, rabbit resistant, pollution tolerant / full sun	L	L	X	X	
<i>Lavandula angustifolia</i>		Evergreen	Shrub / herb	Flowers	Green/ blue	Spring	Purple		Drought resistant, bees, deer resistant, snail / slug resistant, rabbit resistant, pollution tolerant / full sun/ dry in summer	L	L	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Malvaviscus arboreus	Wax mallow, turk's cap, lipstick hibiscus		Evergreen, semi-evergreen	Tree, shrub	Flowers	Green			Red				L	L	Drought resistant, thrives in most climates, low maintenance, bees, butterflies, well drained soils	X	X	X	X
Megakapasma erythrochlamys	Brazilian redcoat			Shrub	Flowers	Green	Spring	Pink	Tropics, south America	Most soils/ shade-full sun	M	M	M	M	Most soils/ shade-full sun	X	X	X	X
Monstera delictosa	Mexican breadfruit		Perennial	Vine, fruit, vegetable	Flowers	Green, variegated, white	Spring	White		Most soils/ shade-full sun	L	L	M	M	Most soils/ shade-full sun	X	X	X	X
Mussaenda erythrophylla	Ashanti Blood Plant, Tropical Dogwood			Shrub, vine	Flowers	Green				Sun to shade, regular water, averages soils, heat tolerant	L	L	M	M	Sun to shade, regular water, averages soils, heat tolerant	X	X	X	X
Nerium oleander double white				Shrub, vine	Flowers	Green		White		Sun to shade, regular water, averages soils, heat tolerant	L	L	L	L	Sun to shade, regular water, averages soils, heat tolerant	X	X	X	X
Nerium oleander variegated				Shrub, vine	Flowers	Green		Pink		Sun to shade, averages soils, heat tolerant	L	L	L	L	Sun to shade, averages soils, heat tolerant	X	X	X	X
Pennisetum rubrum			Perennial	Grassy, shrub	Flowers	Red/brown	Spring		Africa	Heat tolerant, verticillium wilt resistant, even moisture - drought tolerant, Soils-average to well-drained. Attracts humming birds	L	L	L	L	Heat tolerant, verticillium wilt resistant, even moisture - drought tolerant, Soils-average to well-drained. Attracts humming birds	X	X	X	X
Pennisetum setaceum			Perennial	Grassy, shrub	Flowers	Green	Spring		Africa	Heat tolerant, verticillium wilt resistant, even moisture - drought tolerant, Soils-average to well-drained. Attracts humming birds	L	L	L	L	Heat tolerant, verticillium wilt resistant, even moisture - drought tolerant, Soils-average to well-drained. Attracts humming birds	X	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Philodendron			Perennial	Vine	Flowers	Green, variegated, white	Spring, summer, fall	Blue	South Africa	Most soils/ shade- full sun	L	M	X	X
Plumbago	Cape leadwort		Perennial/ semi evergreen	Shrub, vine	Flowers	Green	Spring, summer, fall	Blue	South Africa	Sun,	L	M	X	X
Phormium tenax			Perennial	Grassy	Foliage	Green			New Zealand	Full sun-bright shade, regular watering	L	M	X	X
Strelitzia reginae	Bird of paradise		Evergreen	Shrub	Flowers,	Green	Summer	Orange, blue	South Africa	Sun- and shade, will resistant, regular watering, well drained soils	L	M	X	X
Tecomaria capensis orange	Orange cape honeysuckle		Perennial/ semi evergreen	Shrub, vine	Flowers	Green/gold/ variegated /blue	Spring, summer, fall	purple	Tropics	Full sun to shade , regular watering,	L	M	X	X
Tibouchina urvileana	Princess flower		Perennial/ semi evergreen	Shrub, vine	Flowers	Green/gold/ variegated /blue	Spring, summer, fall	purple	Tropics	Full sun to shade , regular watering,	L	M	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

CLIMBERS & CREEPERS

Botanical name	Common name	Photo	Type	Shape	Ornamental value	Leaf colour	Flowering period	Flower colour	Origin	Notes	Possible location		CPL/NP
											Water needs	Agronomical needs	
<i>Ficus pumila</i>	Creeping figs		Creepers	Vine	Leaves	Green, variegated			East Asia	Good for covering walls,	L	X	
<i>Hedera helix</i>	Common Ivy		Creepers	Vine	Leaves, flowers	Green/ variegated	Summer	Greenish yellow	West Europe, Asia	Good as horizontal and vertical creeper	L	X	
<i>Jasminum mesnyi</i>	Japanese Jasmine		Creepers	vine	Flowers ,foliage	Green	Summer	Yellow	East Asia, Mexico, south of USA	Fragrant flowers, regular pruning if in confined space	L	X	
<i>Parthenocissus quinquefolia</i>	Virginia creeper trail		Creepers	vine	Flowers ,foliage	Green	Summer	Greenish	Mexico	Small flowers and gives berries, ideal on fences, walls	L		X
<i>Pyrostegia venusta</i>	Golden shower, flame vine		Creepers	vine	Flowers , foliage	Green	Summer	Orange	Brazil	Ideal on chainlink, walls (with wire support), also does well on ground as a coverplant	L	X	
<i>Thunbergia grandifolia</i>	Bengal trumpet, blue skyflower, blue thunbergia		Creepers	vine	Flowers ,foliage	Green	Spring to autumn	Blue	Nepal, India, China and Burma	Long roots, can do well as house plant. Can smother other vegetation so requires control, does good as groundcover but tends to 'stand'	L	X	
<i>Thunbergia laurifolia</i>	Blue trumpet vine		Creepers	vine	Flowers ,foliage	Green	All year	White, bluish	India, Malaysia	Medicinal and used also in teas, good on columns, fence, walls (with wire supports)	L		X
<i>Thunbergia myorensis</i>	Mysore trumpet vine/ Indian clock vine,		Creepers	vine	Flowers ,foliage	Green	Spring to autumn	Yellow	India	Best on pergolas and other garden structures	L		X

PROPOSED PLANTS FOR KONZA CITY, KENYA

POND GRASS										
Botanical name	Common name	Photo	Type	Flower colour	Origin	Notes	Agronomical needs Low/med/high	Water needs Low/med/high	Possible location Street Garden & parks	CPL/NP
Azolla filiculoides	Mosquito fern		Evergreen		South America		Fern	L	X	X
Cyperus papyrus	Papyrus		Evergreen	Greenish	Africa		Ph of 6-8.5	L	X	X
Hydrocotyle ranunculoides	Floating pennywort			Yellow (small)	South America			L	X	X
Nymphaea sp.	Water lily		Evergreen	White, pink, yellow, blue			Prefers about 2m water depth	M	X	X
Nymphoides cristata				White	Asia		Succeeds in still or slow flowing water upto 60c deep, also in swamps	M	X	X
Pistia stratiotes								L	X	X
Potamogeton spl				Greenish	North america			L	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

GROUNDCOVERS											
Botanical name	Common name	Photo	Flowering period	Flower colour	Origin	Notes	Agronomical needs	Water needs	Possible location		
							Low/mcd/high	Low/mcd/high	Street	Garden & parks	CPL/NP
<i>Asparagus densiflorus</i>	African asparagus				Mozambique, South Africa	Frost tolerant, grown under glass in temperate regions, good as weeping creeper on short walls	L	L	x	x	x
<i>Gloriosa bordeaux</i>	Fire lily			Yellow, orange, red	Australia, Africa, Asia						x
<i>Oxalis obliquifolia</i>	Oblique sorrel			Pink	Ethiopia, S. Africa		L	L	x	x	
<i>Hypoxis hirsuta</i>	Yellow star grass			Yellow		Grassy, does well in full sun	L	L	x	x	x
<i>Setcreasea pallida</i>	Purple heart, wandering Jew			Purple			L	L	x	x	
<i>Agapanthus africanus</i>	Lily of the Nile			Blue, white	Southern Africa, Ethiopia, Mexico, Jamaica	Grassy, does well in full sun and shade	L	L	x	x	x

PROPOSED PLANTS FOR KONZA CITY, KENYA

Aglaonema silver queen			Tropical, sub-tropical, Asia, New Guinea	Intolerant in cold temps. ideal for full sun, succulent	L	L	X	X	X
Alantthera ficoidea			Tropical, sub-tropical, Asia, New Guinea	ideal for full sun	L	L	X	X	X
Altanantthera tonella			Tropical, sub-tropical, Asia, New Guinea	ideal for full sun	L	L	X	X	X
Aptenia chordate variegated		Red	Tropical, sub-tropical, Asia, New Guinea	ideal for full sun, succulent	L	L	X	X	X
Aptenia chordate		Red	Tropical, sub-tropical, Asia, New Guinea	ideal for full sun, succulent	L	L	X	X	X
Barleria repens rosea		Pink	South Africa	Occurs in forests and woodlands.	L	L	X	X	X
Billbergia nutans			Mexico, Asia	Grassy look. Does well even under shrubs, drought tolerant	L	L	X	X	X
Bromeliacea sp.		Yellow, orange, red	India, Asia, Tropics	Drought tolerant	L	L	X	X	X
Chlorophytum comosum			Africa, Mexico	Drought tolerant, full sun to partial shade	L	L	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

<i>Crassula cordata</i>				Africa, Mexico	Succulent, drought tolerant	L	L	X	X	X
<i>Ctenanthe oppenheimiana</i>				Tropics and subtropics	Full sun to dark shade	L	L	X	X	X
<i>Cuphea micropetala</i>		Orange, yellow		India, Ethiopia	Full sun to shade, can grow upto 2m high when left unpruned	M	L	X	X	X
<i>Echeveria harmsii</i>				Mexico	Succulent, very hardy	L	L	X	X	X
<i>Echeveria secunda</i>				Mexico, Sahara, India	Succulent, very hardy, Full sun to light shade	L	L	X	X	X
<i>Evolvulus glomeratus</i>		Blue	All year	Asia, Bahamas, Brazil	Full sun to slight shade	L	L	X	X	X
<i>Gazania yellow</i>		Yellow	Summer	Mexico, Africa	Full sun	L	L	X	X	
<i>Geranium sp</i>		Red	Summer	Asia, Europe	Full sun to dark shade, can be used indoors, Gcover to med shrub	M	L	X	X	X
<i>Helichrysum</i>		Yellow	All year		Full sun	L	L	X	X	

PROPOSED PLANTS FOR KONZA CITY, KENYA

Cuphea ilavea	Cuphea bat-face		Summer	Red				L	L				X			X
Cuphea hyssopifolia				Orange, reddish				L	L				X			X
Iresine herbstii	Red herbstii							L	L				X			
Iresine herbstii yellow	Yellow herbstii							L	L				X			
Fern sp							Asia, South America	L	L				x			X
kleinia							Mexico, South Africa	L	L				X			X
Lantana sp	Yellow lantana			Yellow			Asia, africa	L	L				X			X
Lantana sp	White lantana			White			Asia, Africa	L	L				X			X
Lavandulla officinalis	English lavender		All year round	Purple			India, Europe	M	L				X			X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Liriope spicata		Pink	Asia, tropics and subtropics	Full sun to shade, drought tolerant	L	L	X	X	X
Liriope variegata		Purple	Asia, tropics and subtropics	Full sun to shade, drought tolerant	L	L	X	X	X
Osteospermum fruticosum		Pink	Europe, Florida	Full sun to shade, drought tolerant	L	L	X	X	
Osteospermum		White, purple	Europe, Florida	Full sun to shade, drought tolerant	L	L	X	X	
Rhoco			Asia, india		L	L	X	X	X
Tradescantia zebrina					L	L	X	X	X
Syngonium sp		White butterfly		Full sun to shade, drought tolerant	L	L	X	X	X
Vinca rosea sp		Pink vinca	Tropixs	Full sun to shade, drought tolerant	L	L	X	X	X
Vinca rosea sp		White vinca	Tropics	Full sun to shade, drought tolerant	L	L	X	X	X

PROPOSED PLANTS FOR KONZA CITY, KENYA

Wedelia trilopata		Yellow		Full sun to shade, drought tolerant	L	L	X	X	X
Sanseveria trifasciata			Asia, Meccico	Full sun to shade, drought tolerant, good for indoors	L	L	X	X	X
